

Procedure Change for Handling "First Time" RMDS Report Requests

In order to assure that we have sufficient time to process R*STARS report requests, all requests (91 Screen) for R*STARS reports must be delivered to MAIN; Financial Systems by Noon. This should give us adequate time to make profile changes prior to the nightly batch run.

Update to Volume 5, Issue #23, New MAIN Sign-On Screen

Implementation of the new MAIN Sign-On Screen has been delayed. We will notify users prior to implementation.
